## Radiology Department

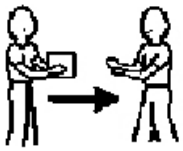

# Having a CT Scan

compassionate care

**Shelley at reception**

| | |
|---|---|
|  | You are coming for a CT scan. |
|  | At the main reception someone can show you the way to the x-ray department. |
| | This is where CT is. |
|  | You should have a card or letter to bring with you. |
|  | Give your card or letter to the receptionist. |
|  | You can sit in the waiting room until it is your turn. |

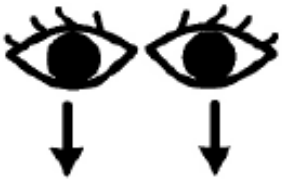

**Shelley having an injection**

| | |
|---|---|
|  | You may have been asked not to eat or drink before your appointment. |
|  | You may be asked to go into a cublicle to get changed into a gown. |
|  | To get better pictures you might need to drink some liquid. |
|  | Or have an injection in your hand or arm. |
|  | Your scan will last between 15-30 minutes. |

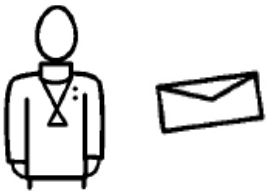

**Shelley in the CT scanner**

| | |
|---|---|
|  | You will lay on a table which moves through the scanner. |
|  | Nothing will touch you and it will not hurt. |
|  | You do need to keep as still as you can though. |
|  | The radiographers will leave the room but they can see you through a window. |
|  | They can hear you and speak to you too. |
|  | You might be asked to hold your breath for a few seconds. |

# Shelley's CT scan is finished

| | |
|---|---|
|  | When the scan is finished the radiographer will tell you when you can go. |
|  | You will get the results from the doctor who asked you to come. |

## If you have any comments about this leaflet or the service you have received you can contact :
